

An Educators' Inservice Program on Understanding Tourette Syndrome (TS), Attention Deficit Disorder (ADD/ADHD), Obsessive Compulsive Disorder (OCD), and other Associated Disorders

The workshop is designed to introduce educators to TS, and associated disorders with an emphasis on school-related issues. The criteria for diagnosis/clinical assessment will be explained to help teachers begin to understand the behavior of some children. The workshop will enable educators to recognize students' difficulties, strengths, and potential. Interventions and modifications for behavior will also be addressed. Peer education and classroom management issues will be discussed in addition to the 504 plan and IEP writing. (Three (3) professional development hours)
