Update on Tourette's and Psychiatric Comorbid Disorders: Diagnosis and Treatment

A Comprehensive One-Day Course
for Neurologists, Psychiatrists,
Pediatricians, Family Practitioners,
Internists and Other Healthcare
Professionals

Jointly sponsored by
The NYU Post-Graduate Medical School
and the
New York City Chapter of the
Tourette Syndrome Association, Inc.

Saturday
March 12, 2005
New York, NY

Target Audience

This intensive one-day course is designed for neurologists, psychiatrists, pediatricians, family practitioners, internists and other healthcare professionals who wish to expand their knowledge of the diagnosis and treatment of Tourette's and psychiatric comorbid disorders.

Statement of Need

Given the new data available there is a need to identify the latest evidence regarding the diagnosis and treatment of Tourette's and psychiatric comorbid disorders and to encourage and incorporate this new knowledge into day-to-day practice and thus improve patient care.

Educational Objectives

At the conclusion of this conference, participants should be able to:

- Recognize the latest diagnostic criteria and techniques to evaluate patients with Tourette's Disorder and comorbid psychiatric disorders
- Identify environmental, neurobiological, and genetic influences in Tourette's Disorder
- Recognize and screen for epidemiological and autoimmune factors in Tourette's Disorder
- Identify the most recent, evidence-based treatments for Tourette's Disorder and the common psychiatric comorbid disorders
- Competently manage children with Tourette's Disorder in the classroom and at home

Location

NYU Medical Center
Alumni Hall Room B, Main Floor
550 First Avenue (31st Street)
New York, NY 10016

(parking garages are located on First Avenue and side streets)

Enrollment

Enrollment is limited. Applications will be accepted in order of their receipt. Complete and return registration form. Additional copies of registration form may be found at www.tsa-nyc.org.

Information

Contact the New York City Chapter of Tourette Syndrome Association, Inc. at chapter@tsa-nyc.org or 646.202.9683. Visit the Chapter website at www.tsa-nyc.org.

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of NYU Post-Graduate Medical School and the New York City Chapter of the Tourette Syndrome Association, Inc.. NYU Post-Graduate Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation

The NYU Post-Graduate Medical School designates this educational activity for a maximum of 5.75 Category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Disclosure Statement

The NYU Post-Graduate Medical School adheres to ACCME Standards regarding industry support of continuing medical education. Disclosure of any commercial relationships as well as discussion of off-label or investigational use of any drug, device or procedure by the faculty will be made known at the conference.

Acknowledgements

This course is supported in part by educational grants from the New York City Chapter of the Tourette Syndrome Association, Inc. and the BelleGemma Fund.
